

# Village of Honor Newsletter

January 2016

Citizens of Honor,

It has been mentioned that some of us would like to see a newsletter informing residents of topics of interest. This will be the first of what we intend to be regular quarterly publications to meet this need. If you have additions or criticisms please tell Bill Ward, who will be the acting editor until someone else wants the job.

**1** - Winter is here and parking regulations are in effect. Parking is not allowed on Village streets between the hours of 2:00 and 6:00 am. Limited parking is available in the Village Hall lot. The point of this is to make it easier to keep our streets plowed. Vehicles parked during plowing will force our DPW person to plow around them which may make it more difficult to move them later.

**2** - Doug Durkee has agreed to continue to work as our Sewer Administrator. In the event of emergency involving the sewage system he can be reached at:

**(231) 383-3281**

**3** - Reminder The first Monday of each month residents can leave one large item curbside to be picked up by Republic Services at no charge to individuals. This service is not intended for garbage, but for large items such as furniture.
